

Three Signup Promotion*

Our 'Three Signup Promotion' is another way that we reward you for your hard work!

Here's how it works. When you sign up a new consultant of any level you receive a 'Fast Start Registration' commission. Now when you've registered three, you then are eligible to receive an additional bonus. The bonus is calculated by taking the Fast Start Registration commission for each signup and then multiply it by a percentage that is assigned to your membership level. For example:

You are a VIP Consultant

- 1) Signup three VIP's, $\$300 + 300 + 300 = \900 , then multiply that by $.32 = \$288$
- 2) Signup a Starter, Builder and a VIP, $\$100 + \$200 + 300 = \$600$, then multiply that by $.32 = \$192$

You are a Starter Consultant

- 1) Signup a Membership, Try It and a VIP, $\$0 + \$50 + \$300 = \350 , then multiply that by $.14 = \$49$
- 2) Signup three VIP's, $\$300 + \$300 + \$300 = \900 , Then multiply that by $.14 = \$126$

As you can see the higher the membership level you are the more profitable it is.

Level	Fast Start Registration	% Given by Level for Three Signup Promo	Multiplication Point

Try It	\$50	10%	.10
Starter	\$100	14%	.14
